ANNOUNCEMENTS

**A Note From our Overseer:** Calvary Family, It has come to my attention that there are questions from some regarding the overseer committee's acceptance or support of the release of the Elders. Here is my response:

*As an overseer team we saw the request for release as a good way forward putting less pressure on the congregation to resolve the situation. We completely supported and endorsed it. It was offered by the Elders and not requested by the overseer's. The church council approved it because they were the authority representing CMF as an organization. I again want to publicly affirm those brothers and the council for their action as I agree with the Elders that it placed less responsibility on the flock. Jason Groff, BMA Overseer*

Missionary Spotlight on Joel & Crystal Yoder

Hello from NYC! **The Summer** has flown by and our children are back in school again. We enjoyed our trip to IN for the **Summer Convention** and **DNI Workers Retreat**. We also saw **Kristen** head off to Lancaster, PA to teach school... While we are sad to see her go, we are happy for her as well as she pursues using her English degree.

We are also less than 3 weeks away from **our Fall LTO** and we're getting excited about that! At this point, it looks like we will have 25 students.

Some of the things you can be praying about:

- + Our children as they begin another year of homeschooling.
- + The MTC team as we prepare to host these students and engage well in each of the students.
- + Logistical challenges, including lodging, that come with hosting a group of this size.
- + Good health for the students and the Team.

Thanks for praying for us, *Joel & Crystal Yoder & family*
